

PET POLICY

At The Meritage Resort and Spa, pet-friendly travel reaches new heights, blending refined luxury with thoughtful accommodations for both you and your four-legged friend. Here are some guidelines so your furry friend can co-exist with our other guests and associates.

The Meritage will add a one-time cleaning fee of \$100 per pet, per stay, to your resort bill for your pet's stay with us. Included in this fee is a plush in-room dog bed (for use during stay only), a dog bowl (to take home), gourmet treats, and potty bags.

Guidelines:

- We have a limit of two dogs under 80 pounds per room.
- Pet owners will be responsible for their canine companions and for any excessive damage they may cause. You will be required to sign a pet waiver upon check in.
- With the exception of service dogs, pets are not permitted in any area that may serve food and/or beverage, or in our pool/whirlpool areas.
- Dogs are permitted on the patios outside of Crush Lounge, Blend, and our on-site tasting rooms. Service dogs are permitted on the Olive & Hay restaurant patio.
- Pets may not be left alone in guestrooms unless in a pet crate or cage.
- We ask that your pet refrains from sleeping or lying on guestroom beds, chairs, and other furniture.
- In the interest of providing a healthy environment for our other resort guests and their pets, we ask that your pet is 100% free of parasites, to include ticks and fleas.
- We have a dedicated pet relief area on property, as well as scenic vineyard trails for you and your pet to enjoy exercise, fresh air, and relaxed play. Please help us maintain our beautiful property by cleaning up after your pet when nature calls.
- When walking with your pet through public areas, we ask that you keep them on a leash at all times and clean up after them, with no exceptions.
